

社群招募工作貼文的 職缺條件讓人好動心？

當心落入 地下求職網路的陷阱

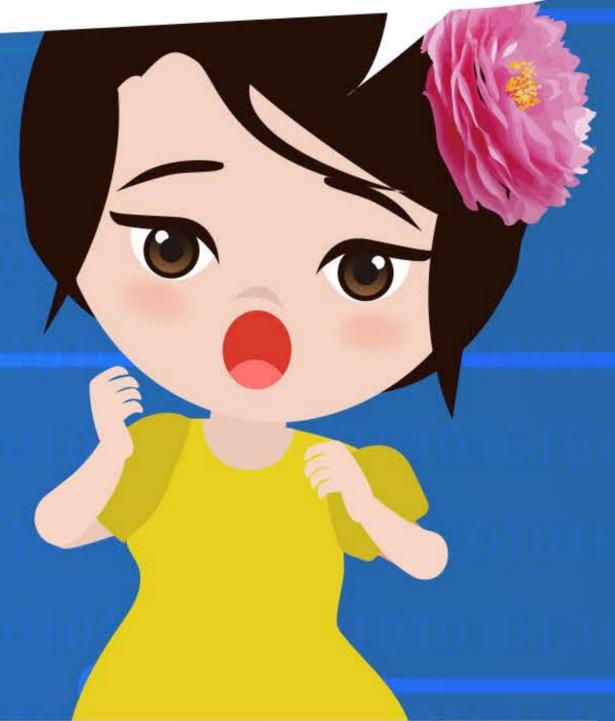

我的工作合約快到期了，等期滿之後想要換雇主，在移工社團看到有人發布招募工人的貼文，待遇很好，但不曉得是不是真的？

之前我有朋友去問過，後來發現有很多招募的貼文都是沒有招募許可的非法工作！網路找工作一定要特別小心。

สัญญาจ้างงานของฉันใกล้ครบกำหนดแล้ว
ถ้าครบกำหนดเมื่อไหร่ก็อยากเปลี่ยนนายจ้างบ้าง
ดูในสื่อโซเชียลเห็นประกาศรับสมัครงาน
ค่าตอบแทนดีมากแต่ไม่รู้ว่าจริงหรือเปล่า

ก่อนหน้านี้เพื่อนของผมลองไปถามดู ต่อมาพบว่า
ประกาศรับสมัครงานจำนวนมากเป็นงานผิดกฎหมายที่
ไม่ได้รับอนุญาตทั้งนั้นเลย!
การหางานทางอินเทอร์เน็ตต้องระมัดระวังเป็นพิเศษนะ

My work contract is nearly up. When it finishes I want to change employers and I saw a post recruiting people on a foreign workers' social media group. The pay is great, but I'm not sure if it's real or not.

I had a friend who asked about a situation like that and he found that in a lot of cases those recruitment posts are from people with no recruitment permit offering illegal work. You've got to be very careful looking for work online.

When a foreign worker wants to transfer employer, he/she should always do so through legal channels to avoid falling victim to a job offer scam.

Hợp đồng lao động của tôi sắp hết hạn, sau khi hết hạn tôi muốn đổi chủ, tôi thấy có người đăng bài tuyển lao động trên nhóm Facebook Người lao động nhập cư, đãi ngộ rất tốt, nhưng không biết thật hay giả.

Trước đây, tôi cũng có người bạn đã hỏi về việc này và sau đó phát hiện ra rằng, **rất nhiều bài đăng tuyển dụng đều là công việc bất hợp pháp, không có giấy phép tuyển dụng!** Hãy hết sức cẩn thận khi tìm việc làm online.

Nếu người lao động nhập cư có nhu cầu đổi chủ thì phải thông qua các kênh hợp pháp, để tránh trở thành nạn nhân của các chiêu trò lừa đảo tìm việc làm.

Kontrak kerja saya akan berakhir, setelah masa berlakunya habis, maka saya ingin pindah majikan. Saya melihat postingan iklan lowongan pekerjaan di grup komunitas PMA di media sosial, gaji yang ditawarkan sangat bagus, tetapi saya tidak tahu apakah hal tersebut benar adanya?

Sebelumnya teman saya pernah mencoba mencari tahu, dan ternyata **kebanyakan postingan iklan lowongan pekerjaan tersebut adalah pekerjaan ilegal yang tidak memiliki izin perekrutan!** Hati-hati saat mencari pekerjaan melalui jaringan internet.

Jika pekerja migran memiliki kebutuhan untuk pindah majikan, maka harus melalui jalur yang resmi, supaya Anda tidak menjadi korban penipuan berkedok ketenagakerjaan.
