Do not allow yourself to become an unwitting **scam gang accomplice**

Never allow anyone else to use your financial accounts as doing so could result in you becoming a scam gang accomplice. Not only does that leave you open to civil claims for compensation from victims of such scams, you might also face criminal liability, which will impact your right to work in Taiwan.

Remain calm, **carefully verify the facts**

Immediately call the **1955** Foreign Workers Hotline or the **165** Anti-Fraud Hotline
